“Frog, Linda, Ann and family, I am so deeply sorry for your loss. Mrs. Geraldine could certainly play softball and as a child I remember watching her and looked up to her as a strong woman. May you find peace at this time.

Love,

“Many prayers to Mrs Geraldine's dearly beloved family. I can't remember a time when you all haven't been a part of my life and you've all been like extended family to me. I'll always remember Mrs Geraldine's character, one minute being silly and the next being so sweet, one minute being serious and the next being such a loving and caring lady. I pray that you all hold on to the multitude of cherished memories you all have and grab on to the hope we have in Christ that one day we'll see her again!
