“ Ronnie, Stevie, Robert and Holly, I just learned of Margaret's passing and my heart just breaks. Your family's friendship when we lived in Florence was truly a blessing to our family. We have wonderful memories of go-cart rides in your front yard, trips to Six Flags, camping in Cherokee and fun times just being together as 'almost family'. Margaret was a great friend. Please know that we care!

“ Our condolences and prayers go out to Margaret’s family. Margaret was a lovely lady and friend to many. She helped me with my son when my husband was transferred to Florence, where we had no relatives. My son loved “Aunt Margaret” and her family. She was a friend to many and will be missed! “ Margaret and Ronnie became friends to me and my former husband, a state trooper, when he was assigned to Florence County in 1976 She loved children and helped take care of mine. She would pick my son up from Timrod Elementary and keep him until I got home from work. She was a wonderful and sweet person. I have never forgotten her and her family and all they did for my family. I am thankful God sent her to be a part of my life during that time. I am so sorry for the loss of their wife, mother and grandmother. My prayers and thoughts are with the family during this difficult time. Love all of this family. Emogene R. Reason
